Golden Nugget Cream Ale

Our lightest ale, is fermented with an ale yeast at lager temperatures to produce a smooth brew. Balanced with Munich Malts and featuring Vanguard hops which carries a spicy aroma usually used in lagers. ABV - 4.3% IBU - 17

Liquid Sunshine™ Blonde Ale

Features a goodly dose of Crystal hops that lend their grapefruit-like flavor and aroma. Brewed with Barley, Wheat, and Rye for a dry multigrain complexity. A very refreshing Brewer's favorite. ABV - 5.0% IBU - 48

Heff-a Weizen

A 50/50 blend of wheat and barley malts fermented with an authentic Bavarian Weizen yeast for traditional banana and clove-like dryness. Hopped with just enough German-style hops to balance the malt and served unfiltered. ABV - 5.4% IBU - 20

Hoppy Face™ Amber Ale

Our flagship brew is a big amber ale, much like the first IPA's from the dawn of the industrial revolution. A blend of Caramel Malts give this beer a rich yet highly drinkable body & heavy-handed additions of Nugget, Cascade & Liberty hops protect this beer for the long cruise to India. ABV - 6.1% IBU - 65

Original Burnt Sienna Ale

Brewed with Pale, Caramel and Smoked malts with a hint of roasted barley. Hopped and re-hopped and hopped again with Columbus, Glacier & Willamette hops. Served w/ mixed gas. ABV - 6.9% IBU - 60

Stony Face™ Red Ale

Hoppy's gift to those who like their beers nice and Malty. Dark Chocolate and Caramel Malts lend their deep crimson silkiness, and judicious additions of Nugget & Cascade hops give just enough bitterness for balance. Ask your server's favorite beer and it's probably this one. ABV - 5.6% IBU - 30

Total Eclipse™ Black Ale

Robust as a moon that dares cross the sun, this porter-like brew features Chocolate & Black Malts for a dark-roasted coffee-like flavor. Hopped w/ a-shade-more-than-typical additions of Nugget & Columbus hops for an assertive yet still pleasant bitterness. Served w/ mixed gas. ABV - 5.6% IBU - 48
