Dear Hoppy Friends,

As everyone knows we are facing a time of uncertainty concerning the coronavirus (COVID-19). We wanted to personally reach out to provide you an update on the actions that Hoppy Brewing Company and Hoppy's Railyard Kitchen & Hopgarden in Old Sacramento are taking to help prevent the spread of the virus and to support the health and well-being of our guests and staff.

Our focus is to ensure that these actions are in line with the latest recommendations and guidance provided by our local health department as well as world health agencies.

Our staff have been instructed as follows:

- Stay home if you're not feeling well
- Managers shall send employees home immediately if employees show any signs of sickness
- Frequently wash their hands with soap and water or hand sanitizer
- Avoid touching their face
- Eliminate person-to-person contact unless unavoidable

Our cleaning practices are as follows:

- Phones, cash drawers, POS terminals, doorknobs, table tops, and bar tops will be sanitized with disinfectant throughout the day
- Staff will take extra precautions by washing hands after handling used napkins, silverware and glassware
- Along with this, we have made hand sanitizer available for staff and guests at the host stand and bar

We want to let you know that we are **OPEN** and thank you for your support while Sacramento, the State, and the entire Nation experiences this unprecedented disruption of our lifestyle. Our devoted staff depends on people dining out in local restaurants, and we provide a safe experience for everyone. We have plenty of space in the restaurant to provide safe space between guests, so please let your host know when arriving if you would like a bit more personal space while dining with us.

As we obtain additional guidance from experts and agencies, we will implement new improvements immediately.

We care deeply about our guests and we intend to do everything we can to ensure your safety and enjoyment when you dine with us. We thank you for your patronage and support as we all work

together to minimize risk during this uncertain time.

Lastly, if you prefer to dine away from even small groups of people, remember you can order a Hoppy Railyard meal through **Postmates** during our regular business hours, and as an added **BONUS** when you spend \$15 on food this weekend use the code **LUVFOOD** to get \$15 off of delivery fees.

Sincerely,

Troy Paski
