Hi Hoppy! :-)

This month's newsletter highlights include Cinco de Mayo, Mother's Day, and our Espresso Machine just to name a few of the things we have going on around the Railyard. Are you looking for [beer specials](#), [menus](#) and [Railyard perks](#)? They're just a click away on our [website](#). Thanks as always for supporting local craft in Sacramento!

Cinco de Mayo

With more and more people getting vaccinated everyday, society is slowly returning to a semblance of normal, and this coming Wednesday the Railyard is celebrating **Cinco de Mayo** with a yard bird taco feature. Three chicken tacos with Cotija, Pico de Gallo, fire roasted Sweet Corn, pickled Red Onion, micro Cilantro, and Flour Tortillas for just \$8 all day. You can also **Super-Size** it with a hand-crafted Margarita for a total of \$16.

This Railyard feature is available from 11:00am until 11:00pm on Wednesday, May 05th; so come on over and enjoy some safe, *socially-distanced*, dining indoors or outdoors in the Hopgarden.

Mother's Day

Next Sunday, May 09th, is **Mother's Day**. Space is limited at this point for Brunch, but we wanted to share with you the features for Brunch and Dinner. Chef Andreas and his team are featuring for Brunch a shredded **Bison Short-Rib Hash** with a smoked paprika hollandaise sauce, poached Eggs (2), steamed Yams, Red Onions, mixed Bell Peppers, Green Onions, Leeks, and micro Cilantro. In addition, Mom will get a Mimosa included with her meal. The Dinner feature is a pan seared **Salmon** topped with lemon herb butter sauce, a crispy Polenta cake with Corn and Peppers, and sautéed baby Carrots. Again, Mom will get a glass of house wine or Hoppy beer included with her meal. Brunch service is from 10:00am until 3:00pm, and Dinner is from 4:00pm until 9:00pm.

Espresso Machine

With locals and tourists walking the Boardwalks of Old Sacramento each day and night, the Railyard crew is always being asked for a **Coffee**, **Cappuccino**, **Latte**, or an **Espresso** to-go; so while the Coffee part has been relatively easy these past couple of years, we felt it was time to add some value to the Coffee game by adding an Espresso machine to the portfolio so the Host can accommodate those requests.

In addition, the Host station is slowly turning into a full-blown to-go kiosk with Sacramento canned craft beer available, fillable growlers, grab & go sandwiches, salads, soups, Hoppy merchandise, Hizer's Healthy Dog Treats, and now the coffee aspect featuring locally sourced **Chocolate Fish Coffee**. Maybe as Summer approaches we'll even add a smoothie machine to mix... ;-)
