Hi Hoppy! This month's update highlights Easter Brunch Features, Spring Menus, and an Indoor Dining Update. Looking for [beer specials](#), [menus](#) and [Railyard perks](#)? They're just a click away on our [website](#). Thanks as always for supporting local craft in Sacramento!

Easter Brunch Features

This coming Sunday, the 04th, is Easter! Bring the family in for a delicious Easter meal and let us do the cooking! We will be serving from our new Spring Brunch and Dinner menus, but at **Brunch we will be featuring a House Smoked Salmon Omelet with Red Onions and Capers.**

Brunch is served from 10:00am until 3:00pm.

Brunch also features \$15 Bottomless Bloody Marys and Mimosas. Dinner service runs from 4:00pm until 9:00pm.

Space is limited in the Hopgarden; so, make sure to get your reservations in NOW. In addition, there will be a two- and a half-hour table time limit so that we can accommodate other guests. Make a reservation or place your order online at www.hoppy.com, or just

give the Railyard a call at 916.451.HOPPY (4677).

Spring Menus Arrive

Every quarter the Railyard releases new seasonal menus with items that are fresh, local, and ready to tap into.

Starting tomorrow, April 02nd, Chef Andreas and his team are bringing you some fresh and tasty new items like a:

- ***Very Cherry French Toast***
- ***Asian "Zing" Salad***
- ***Yard Goat Pizza***
- ***BLAST Sandwich***
- ***Cherry Compote Cheesecake***

and these are just to name a few items to get your taste buds going this Spring... ;-)

Feel free to click on the link for all of the new [Spring menus](#) items online.

Indoor Dining Update

On Tuesday, March 16th, Sacramento County went from the COVID **Purple Tier** (0% indoor dining), to the COVID **Red Tier**, which allowed for indoor dining at 25% capacity. We greatly appreciate those that dined with us over the Winter outdoors in the Hopgarden. We wouldn't be here without your continued support. As the month progresses, vaccinations continue to get shots in arms, and the numbers continue on their current trend, Sacramento County is likely to move into the **Orange Tier** before the end of the month. Orange allows for indoor dining at 50% capacity.

However, if you're still interested in outdoor dining, the hops are quickly climbing their ropes and the new sun shades and misters are installed for your continued dining comfort as we move into the warmer months here in Sacramento. ;)
