### Golden 1 Center Events Return

Coming this Tuesday and Wednesday at 5:00pm marks the return of the **3rd Annual NBA California Classic** at the G1C, followed by a weekend roundup of the **PBR Wrangler Long Live Cowboys Classic**. Next weekend features the return of **Monster Jam**, and keep checking the calendar as more events are being added daily. That being said, if you are planning to see an event at the G1C, make sure to stop in beforehand and let the Host know of your plans so that the Railyard Staff can make sure to accommodate your event plans in a timely manner. Also, remember the Railyard is just a quick 5 minute walk to the G1C, and there's a fantastic **Late Night Hoppy Hour** waiting for you to enjoy after the event.

In addition to Events returning to the G1C, the Holidays are just around the corner, and it's not too early to start making those Company or Holiday gathering plans at the Railyard this year.

If you're interested in reserving the Hoggarden or Private Dining Room for your holiday or special occasion, please send your information to [hbc@hoppy.com](mailto:hbc@hoppy.com), or call 916.451.4677 with your details.

### Super Hoppy™ Debuts in Cans

Last year Hoppy released its core brands in 16oz "tall-boy" cans, and this year marks the release of a new brand of Hoppy's Railyard **Super Hoppy™ Double IPA**. Super Hoppy™ uses a heavy dose of Citra, El Dorado, and Ekuanot hops for the bittering and aroma. A large amount of Pilsner Malt to pump up the alcohol content, and a small touch of Wheat Malt for head retention. Alcohol by Volume is 7.5%, and it has 75 IBU's that will knock your socks off if you don't pay attention to your consumption. Super Hoppy™ will be available at the Railyard in cans near the end of the month for easy curbside pickup or walkup to-go.

In addition, we want to thank **Mr. Paul Vismara**, who has been a professional artist for over three decades for his creative talents in putting this label artwork together. His work has been published around the world with much of his recent artwork featured in the craft beer industry, and around Denver, CO in restaurants and private homes." For more information about Mr. Vismara and his work, please visit [www.paulvismara.com](http://www.paulvismara.com) or [www.paulpaintspetsandpeople.com](http://www.paulpaintspetsandpeople.com)

Cheers! :-)
